

4 TIPS FOR LEADING YOUR CHILD IN eKIDZ CURRICULUM AT HOME 🏠

TIP #1

Set aside at least **20 minutes** for your family to watch the curriculum video and do the activities.

TIP #2

Take **10 minutes** to prepare. Quest and Motion parents — look through the Parent Guide to see what activities are included. The more you understand the activities, the easier it will be to lead them!

TIP #3

If you have kids in different age groups, you don't have to do everyone's curriculum in one sitting. Try doing the curriculum for different age groups on **different days** to maximize interest and engagement!

TIP #4

HAVE FUN! 😊

Smile, laugh, and don't be afraid to be a little silly!
